

**GARINGAL ORIENTEERS**  
**MOONLIGHT MADNESS 23 SEPTEMBER 2020**  
**COVID SAFETY INFORMATION**

This is a COVID-conscious event. There are several conditions and restrictions that must be complied with in order for the event to proceed. These are summarised below. Further details can be found on the ONSW website at <https://www.onsw.asn.au/covid-19-updates>

DO NOT ATTEND if you are unwell, have recently been in Victoria or have visited any of the NSW government's COVID hotspots (see above website or <https://www.nsw.gov.au/covid-19/latest-news-and-updates>)

- This is a **“get in, orienteer and get out”** event. No gatherings are permitted before or after the event. No results will be on display, but they will be online.
- Social distancing should be maintained at all times. Parents with young children should ensure their children exercise social distancing except with those family members they live with.
- Contact details should be entered into Eventor for all competitors. Not having sufficient information to allow contact tracing may mean not being able to start or being disqualified. An emergency contact should also be given. Use of the COVID-safe app is encouraged.
- All those attending but not competing, eg parents and friends of a competitor, must also create a 'Casual member' registration in Eventor.
- Hand sanitising and/or hand washing should be undertaken before and after competing. Hand sanitiser will be available but it is also advisable to bring your own.
- Separate assembly 'boxes' (defined areas for getting ready) may be used if the number of people at the event at any one time exceeds the number mandated by government.
- Control clue sheets will be printed on the maps. Loose sheets will not be provided.

- Avoid unnecessary touching of surfaces. Take care to only touch and pick up the map that you are using. Avoid touching the SI units other than to insert the SI stick if not using SIAC. There will not be a box for keys.
- Near controls, please be considerate of other people and respect their requirements for social distancing.
- At the Finish, be conscious of SI staff and move away as quickly as possible.
