This event will be covid-compliant.

Contact tracing:

All attendees at the event must register, even if not participating; choose the “Spectator only” class in Eventor.

If running as a Group, only the Group leader needs to be entered. All other group members must also pre-enter but use the (free) GrpMbr class.

COVID-19: COVID safety conditions apply. These are shown in the attached information flyer which must be read and acknowledged before entry is accepted. Please recheck immediately before the event as the safety instructions may change.

Please keep your time at the event to a minimum.

You must not attend if you are unwell or meet any of the criteria for self-isolation identified by Health NSW.

If you have pre-entered but cannot attend due to covid symptoms, please contact the organisers to arrange a refund.

What to do when you get to the event:

1. For people who have pre-entered, you will only need to visit the Registration Desk at the event to:
 - Pick up a rental SI stick
 - Have your Active Kids card stamped
 - Pick up a map board (MTBO only)

Otherwise you just turn up, clear/check, hand sanitise, pick up your map and start during the start window. Pre-planning time will only be allowed on the Easy course.

2. For people who enter on the day, please report to the Registration Desk.
