Being COVID Safe at Events

Please observe the following guidelines at today's event for the safety of all competitors

Finish and Download Areas

- Only approach Download when you are breathing normally
- Maintain social distancing (1.5m between people)
- Competitors must bring their own water bottle
- Do not approach too close to the computer operator
- Do not touch the split printer as tear-off splits will be handed to you
- No results will be displayed at events
- Check Eventor (and Winsplits) online after the event for placings and splits comparisons
- Thank the organisers for all the extra effort they have put in to bring this event to you ☺
