

Metro League #5 – Final Event Briefing

Rain is forecast for tomorrow but the soggy outlook doesn't appear to have dampened enthusiasm for what is shaping up to be a hotly contested grand finale of the 2020 MetroO League! COVID restrictions have been relaxed since the last round and we are delighted to be able to welcome orienteers from a variety of regions and clubs. However, the advice remains "Arrive - orienteer – leave" and it is important that we all follow the current guidelines and continue to practise social distancing and good hygiene.

Please read the [Event Information](#) and the [COVID Participant Instructions](#) before attending. Control descriptions and symbols are available for printing on Eventor.

Key event details:

- The start window is from 9.30-11.30am and course closure is at 12.30pm. Start times for MetroO League competitors are from 10-11am and will be allocated by club captains.
- Maps are printed on Pretex water resistant paper, and the scale for all courses is 1:7,500. Divisions 1 and 2 are double sided. Please try to avoid last minute team changes as we are at capacity in Divisions 3 and 4.
- SI Air will be enabled but the start and finish units must be manually punched.
- Please bring plenty of drinking water as there is none available at the venue.
- Bring a waterproof coat or umbrella if you want to avoid getting wet!
- The emergency contact number for the event is 0424 720165.
- Live results will be available via the following link and QR code:
