About This Event

This is the second event of the Northern Region Spring Twilight series being held on the Royal Park extended map. Four courses are available – Long, Medium, Short, Walkers.

Where is the Start?

The start for this event will be in the Riverbend Park. The entrance to the park is located at the western end of Lindsay St. Parking is plentiful on Lindsay St. as well as in the Riverbend Park grounds

When Can I Start?

You can start anytime between 4pm and 6pm.

When do I Have to Finish?

You need to finish before the course is closed at 7 pm. If you cannot complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time.

Whether or not you have completed your course, you must download your SI stick or P-Card at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

Which Map is Being Used?

Map: Royal/Riverbend Park

Scale: 1:4000 and 1:2000

Contour Interval: 2 meters

What are the Courses?

Short, Medium and Long courses are available. The short courses are suitable for newcomers.

Course	Navigation	Distance (Approx)
Long	Moderate	4.2 km
Medium	Moderate	3.2 km
Short	Easy	2.5 km
Walkers	Easy	3.2 km

Do I Need an SI Stick or P Card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic timing system so an SI-stick or a P card is required at all events. Thanks to a Government Grant we are now able to offer P cards for \$10 (half-price). There are also SI sticks for sale for \$70

P-cards are suitable for all local events, but for bush events it is preferable to have an SI-stick – they are faster to use and register more controls.

You can buy a P-card for \$10, or SI Stick for \$70 when you enter online via Eventor when entering an event. Choose 'Purchase of P card' or 'Purchase of SI Stick' from the drop-down menu in 'Available Services' and click the green Add button to purchase. For your first event we will lend you an SI-stick for free.

How do I Enter?

To comply with COVID-19 regulations you must enter online by midnight on Sunday 1st November 2020.

- If you are a newcomer, see *Information for Newcomers* below

- Enter using [Eventor](#) – the online orienteering entry system.
- If you need help to enter, follow the [How to Enter guide](#).

- To enter online you need to be [registered as a casual or full member of Orienteering Tasmania](#). Casual membership is free!

Information for Newcomers

When you arrive at the event come to the registration desk and let the organisers know you are new; an experienced member will help you through the registration, start and event procedure.

Our online entry system is not set up to allow free entry, so if you are a newcomer please [register as a casual or full member of Orienteering Tasmania](#) and then email sportident@tasorienteering.asn.au. Let them know who will be attending and the course each person would like to do.

Where can I find results?

Results from an event are presented in four different places on our website in slightly different ways.

- **Live Results** are available as competitors download during some events. Go to [Results/Live Results](#) and choose the club that organised the event.
- **WinSplits** shows everyone's times for each leg, and is usually available the evening after the event. Go to [Results/Recent Results](#) and click [Tasmania Results in Winsplits](#) at the top.
- **Eventor** shows overall results for each course or class, and will be available the evening after the event. Go to [Results/Recent Results](#) and click on results for that event.
- **Livelox** shows the routes people have taken on the course (if they have used a GPS and uploaded the data). Go to the Eventor results and then click on Livelox either in the top bar or for each class/course.

What Else do I Need to Know?

As Orienteering Tasmania events are often conducted on private property we have a blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering. As well, please leave gates closed or open as you find them.
