

This event is a time to recognise all the hard work of the members who set, map, organise and manage the events and as well as run the business of the association.

It is also a time to cheer our champions and celebrate their success as they receive their trophies; a time to see your fellow orienteers out of their usual environment and dress code of club tops, pyjama suits and lycra.

Good conversation and good company is guaranteed.

Time: 12 noon onwards

Venue: Shelter W Whiteman Park (Mussel Pool West, near 28 on the map)
