

## Orienteering Event Information

Location	Event Date	Region	Series
Seven Mile Beach	22 Nov 2020	Southern	Local

### COVID-19 Compliance

To comply with government regulations there are changes to the way orienteering in Tasmania takes place:

- ! You must enter using the online entry system Eventor several days prior to the event.
- ! There will be no entry or payment on the day. If you turn up without pre-entering you will not be allowed to participate.
- ! Before you come, read the COVIDSAFE Participant checklist.
- ! Bring your own water – no water will be available on the course or at the assembly area.
- ! Social distancing and a range of hygiene measures will be enforced.
- ! If you have COVID-19 symptoms, have been in recent contact with a COVID-19 case, or have travelled overseas recently please stay home.

### About This Event

This is a local event suitable all ages, skill level and fitness. The area is a mix of open dunes mostly covered with Marram grass, thick patches of coastal wattle and smaller patches of eucalypt forest. Numerous tracks offer plenty of route choice for those not wishing to brave the more direct routes between controls. Long pants and/or gaiters are recommended since the Marram grass is fairly long in places.

### Where is the Start?

The start is at the turning circle on the northern end of surf road south of the airport. From the airport roundabout, travel past the airport and at the sweeping right hand bend into surf road, turn left into the now disused section of surf road. Parking is on the road side. Please keep the turning circle clear for others to turn around.

### When Can I Start?

You can start anytime between 10am and 12pm. Starting as early as possible gives you more time to complete the course.

## When do I Have to Finish?

You need to finish before the course is closed at 1pm. If you cannot complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time.

Whether or not you have completed your course, you must download your SI at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

## Which Map is Being Used?

Map: Seven Mile Beach

Scale: 1:5000

Contour Interval: 2m

A special thanks to Mark Hey for updating the map on short notice.

## What are the Courses?

Novice, Short, Medium and Long distance courses are available. The novice and short courses are suitable for newcomers.

Course	Navigation	Distance (Approx)
Long	Hard	4.2 km
Medium	Moderate/Hard	3.3 km
Short	Easy	2.2 km
Novice	Very easy	1.9 km

## Do I Need an SI Stick or P Card?

All Tasmanian Orienteering clubs use the Sportident (SI) electronic timing system so an SI-stick or a P card is required at all events. **Due to COVID-19 we are no longer offering SI-stick hire. Thanks to a Government Grant we are now able to offer P cards for \$10 (half-price).**

P-cards are suitable for all local events, but for bush events it is preferable to have an SI-stick – they are faster to use and register more controls.

You can buy a P-card for \$10 when you enter online. Purchase your P-card from Eventor when entering an event. Choose 'Purchase of P card' from the drop-down menu in 'Available Services' and click the green Add button to purchase. For your first event we will lend you an SI-stick for free.

If you would like to buy an SI-stick (from \$60), some clubs may have them for sale (ask at an event) or see [aussieogear.com](http://aussieogear.com)

## How do I Enter?

To comply with COVID-19 regulations you must enter online by midnight on Wednesday 18 November before the event.

- ! If you are a newcomer, see Information for Newcomers below
- ! Enter using [Eventor](#) – the online orienteering entry system.
- ! If you need help to enter, follow the [How to Enter guide](#).
- ! There will be no entry or payment on the day.

! To enter online you need to be [registered as a casual or full member of Orienteering Tasmania](#). Casual membership is free but higher event fees apply (first event is free)!

## Information for Newcomers

Newcomers are encouraged to come along and give bush orienteering a try. Wear comfortable clothing and foot wear suitable for walking or running; bring warm clothes and wet weather gear in case the weather is inclement. Long pants are a good idea if you plan on doing a course that takes you off tracks and through the bush.

For OST events enter class M/W Open B for a moderate navigation course or class M/W Open C for an easy navigation course.

When you arrive at the event come to the registration desk and let the organisers know you are new; an experienced member will help you through the registration, start and event procedure.

Your first orienteering event will be free of charge (including loan of SI-stick). Our online entry system is not set up to allow free entry, so if you are a newcomer please [register as a casual or full member of Orienteering Tasmania](#) and then email [sportident@tasorienteering.asn.au](mailto:sportident@tasorienteering.asn.au). Let them know who will be attending and the course each person would like to do.

## How Much Does it Cost to Enter?

If it's your first local event, it's free!

Event Fees	First Event?	Adult	Adult	Youth or Concession	Youth or Concession	Family	Family

Course Planner: Lindsay Pender

Course Controller: Robyn Chapman and Rosie Rutledge

## Where can I find results?

Results from an event are presented in four different places on our website in slightly different ways.

- ! **Live Results** are available as competitors download during some events. Go to [Results/Live Results](#) and choose the club that organised the event.
- ! **WinSplits** shows everyone's times for each leg, and is usually available the evening after the event. Go to [Results/Recent Results](#) and click [Tasmania Results in Winsplits](#) at the top.
- ! **Eventor** shows overall results for each course or class, and will be available the evening after the event. Go to [Results/Recent Results](#) and click on results for that event.
- ! **Livelox** shows the routes people have taken on the course (if they have used a GPS and uploaded the data). Go to the Eventor results and then click on Livelox either in the top bar or for each class/course.

## What Else do I Need to Know?

As Orienteering Tasmania events are often conducted on private property we have a blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering. As well, please leave gates closed or open as you find them.
