COVID-19 Compliance

To comply with government regulations there are changes to the way orienteering in Tasmania takes place:

- You must enter using the online entry system [Eventor](#) several days prior to the event.
- There will be no entry or payment on the day. If you turn up without pre-entering you will not be allowed to participate.
- Before you come, read the [COVIDSAFE Participant checklist](#).
- Bring your own water – no water will be available on the course or at the assembly area.
- Social distancing and a range of hygiene measures will be enforced.

If you have COVID-19 symptoms, have been in recent contact with a COVID-19 case, or have travelled overseas recently please stay home.

About This Event

This is the final local event for the year. There will be Novice, Short, Medium and Long courses available. Beginners are always welcome.

Where is the Start?

The start is in the car park at the eastern end of Salacia Avenue

When Can I Start?

You can start anytime 10am and 12pm. If you start around 11 you'll be perfectly placed to enjoy a picnic lunch in the park after your run.

When do I Have to Finish?

You need to finish before the course is closed at 1pm. If you cannot complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time.

Whether or not you have completed your course, you must download your SI at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

Which Map is Being Used?

Map: Howrah – Updated in 2020 by Mark Hey

Scale: 1:5000

Contour Interval: 2m

What are the Courses?

Novice, Short, Medium and Long distance courses are available. The novice and short courses are suitable for newcomers.

Course	Navigation	Distance (Approx)
Long	Easy/Moderate	4.0 km
Medium	Easy/Moderate	3.0 km
Short	Easy	2.5 km
Novice	Very easy	1.2 km

Do I Need an SI Stick or P Card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic timing system so an SI-stick or a P card is required at all events. P-Cards are available for purchase for \$10 on the day.

Note! This event has a high number of controls. If you are planning to enter the Long or Medium course you will need to borrow a SI Stick (simply let the registration desk know and we will swap your P-Card for an SI stick for this event – free of charge)

How do I Enter?

To comply with COVID-19 regulations you must enter online by midnight on Friday 4th December before the event.

- If you are a newcomer, see *Information for Newcomers* below
- Enter using [Eventor](#) – the online orienteering entry system.
- If you need help to enter, follow the [How to Enter guide](#).
- There will be no entry or payment on the day.
- To enter online you need to be [registered as a casual or full member of Orienteering Tasmania](#). Casual membership is free!

Information for Newcomers

Newcomers are encouraged to come along and give bush orienteering a try. Wear comfortable clothing and foot wear suitable for walking or running; bring warm clothes and wet weather gear in case the weather is inclement. Long pants are a good idea if you plan on doing a course that takes you off tracks and through the bush.

For OST events enter class M/W Open B for a moderate navigation course or class M/W Open C for an easy navigation course.

When you arrive at the event come to the registration desk and let the organisers know you are new; an experienced member will help you through the registration, start and event procedure.

Your first orienteering event will be free of charge (including loan of SI-stick). Our online entry system is not set up to allow free entry, so if you are a newcomer please [register as a casual or full member of Orienteering Tasmania](#) and then email sportident@tasorienteering.asn.au. Let them know who will be attending and the course each person would like to do.

How Much Does it Cost to Enter?

If it's your first local event, it's free (including free loan of SI-Stick)!

Where can I find results?

Results from an event are presented in four different places on our website in slightly different ways.

- **Live Results** are available as competitors download during some events. Go to [Results/Live Results](#) and choose the club that organised the event.
- **WinSplits** shows everyone's times for each leg, and is usually available the evening after the event. Go to [Results/Recent Results](#) and click [Tasmania Results in Winsplits](#) at the top.
- **Eventor** shows overall results for each course or class, and will be available the evening after the event. Go to [Results/Recent Results](#) and click on results for that event.
- **Livelox** shows the routes people have taken on the course (if they have used a GPS and uploaded the data). Go to the Eventor results and then click on Livelox either in the top bar or for each class/course.

What Else do I Need to Know?

As Orienteering Tasmania events are often conducted on private property we have a blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering. As well, please leave gates closed or open as you find them.

Any Food, Entertainment, Coaching or Other Special Attractions?

As this is the last event of the year, the event is doubling as a Christmas celebration for Australopers Orienteering Club. After the event everyone is invited to bring a picnic and enjoy some fun and festivities.
