OWA Summer Camp for Junior Orienteers 2021

CAMP INFORMATION

We have organised a summer orienteering camp with accommodation at Camp Quaranup, Albany, and activities on site and nearby Albany sprint 'O' maps for three days and three nights in the middle of the January School holidays. These will be led by a team of ten OWA coaches.

- We are looking for young people who enjoy orienteering, want to learn more about it and have a fun time with other young people.
- The camp will start at 3.00pm Friday 15th January, 2021 at Camp Quaranup, Albany. Parents are to bring their child to this location. If this is not possible please indicate this on the registration form and we will try to find alternative transport.
- Activities will include participation in the local ADHOC event Albany Town Centre Map, in York St, the main street of Albany on morning of Sunday 17th January. The juniors will be transported to and from the event by bus. Parents are encouraged to join us at this event.
- The camp will finish at 10.00am, Monday 18th January at Camp Q. Parents are asked to pick up their children from this site. Again, if this is impossible please indicate this on the registration form.
- The camp is subsidised by OWA so will only cost \$100 per junior orienteer. This includes accommodation, meals and activities.
- The camp is open any junior orienteer who has participated in at least one bush event or NavDash event in addition to any school events and is an OWA full member. If you are a casual member and want to come you will be charged the cost of junior membership (\$30) in addition to camp fees, i.e. you will become a junior member of OWA.
- Note: Camp Q has several beaches so there will be supervised swimming, if weather is suitable. So please bring bathers and beach towel.
- Camp Quaranup was established as the Commonwealth Quarantine Station on the Vancouver Peninsula in 1875. It is now operated by the Department of Local Government, Sport and Cultural Industries who took over the site in 2013.
