Fieldwork and OCAD cartography by Dave Lotty in June - July 2011 using the 1982 Cooks River map and NearMap information as a base. Fieldwork and OCAD cartography updated by Anthony Nolan and Kelvin Meng December 2020.

The 1982 1:15000 map of Cooks River (of which this map is a small part) was notable in that it had 9 railway stations and the homes of the 3 mappers included on it.
