COVID-19 Compliance

To comply with government regulations there are changes to the way orienteeing in Tasmania takes place:

- It is greatly preferred that you enter using the online entry system [Eventor](#) several days prior to the event.
- There will be limited entry or payment on the day.
- Before you come, read the [COVIDSAFE Participant checklist](#).
- Bring your own water – no water will be available on the course or at the assembly area.
- Social distancing and a range of hygiene measures will be enforced.

If you have COVID-19 symptoms, have been in recent contact with a COVID-19 case, or have travelled overseas recently please stay home.

About This Event

This is the first of 4 events making up the 2021 EVOC Summer Cup. The event is a 45 minute score event with a mass start at 17:30.

Where is the Start?

The start is at the “Village Green” at the end of Duck Reach Road in the Trevallyn Nature Recreation Area (coordinates -41.458507, 147.103935). Driving instructions from King’s Bridge [here](#).

When Can I Start and when do I Have to Finish?

There will be a mass start at 17:30. The courses will close at 18:30. If you cannot complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time.

Whether or not you have completed your course, you must download at the computer, so that we know you have returned safely, and don’t organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

Which Map is Being Used?

Map: Trevallyn

Scale: 1:10,000

Contour Interval: 5m

What are the Courses?

This event is a score event. Score events are a type of event in which you have to find as many controls as possible in a fixed time (45 minutes). Each control has a point value which varies according to its distance and technical difficulty. You can choose which controls to go to, and there will be a penalty of 10 points per minute (or part thereof) if you take longer than the 45 minutes allowed.

Do I Need an SI Stick or P Card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic timing system so an SI-stick or a P card is required at all events. Thanks to a Government Grant we are now able to offer P cards for \$10 (half-price), There are also SI sticks for sale for \$70. P-cards are suitable for all local events, but for bush events it is preferable to have an SI-stick – they are faster to use and register more controls. You can buy a P-card for \$10, or SI stick for \$70 when you enter online via Eventor. Choose 'Purchase of P card' or 'Purchase of SI stick' from the drop-down menu in 'Available Services' and click the green Add button to purchase. For your first event we will lend you an SI-stick for free.

How do I Enter

Enter online by midnight on Wednesday 20/01 before the event. Limited entry on the day is available at local and twilight events.

- Enter using [Eventor](#) – the online orienteering entry system.
- If you need help to enter, follow the [How to Enter guide](#).
- For a local or twilight event, there will be limited entry on the day for an extra charge of \$2 (adults) and \$1 (junior). It cannot be guaranteed that a map for your preferred course will be available. Payment at the event is by card only.
- To enter online you need to be [registered as a casual or full member of Orienteering Tasmania](#). Casual membership is free.
- Complete newcomers may enter on the day at a local event (first event free)

Information for Newcomers

Newcomers are encouraged to come along and give bush orienteering a try. Wear comfortable clothing and foot wear suitable for walking or running; bring warm clothes and wet weather gear in case the weather is inclement. Long pants are a good idea if you plan on doing a course that takes you off tracks and through the bush.

Your first orienteering event will be free of charge (including loan of SI-stick) and you do not need to pre-enter. When you arrive at the event come to the registration desk and let the organisers know you are new; an experienced member will help you through the registration, start and event procedure.

Where can I find results?

Results from an event are presented in four different places on our website in slightly different ways.

- **WinSplits** shows everyone's times for each leg, and is usually available the evening after the event. Go to [Results/Recent Results](#) and click [Tasmania Results in Winsplits](#) at the top.
- **Eventor** shows overall results for each course or class, and will be available the evening after the event. Go to [Results/Recent Results](#) and click on results for that event.
- **Livelox** shows the routes people have taken on the course (if they have used a GPS and uploaded the data). Go to the Eventor results and then click on Livelox either in the top bar or for each class/course.
