COVID-19 Compliance

To comply with government regulations there are changes to the way orienteering in Tasmania takes place:

- It is greatly preferred that you enter using the online entry system [Eventor](#) several days prior to the event.
- There will be limited entry or payment on the day.
- Before you come, read the [COVIDSAFE Participant checklist](#).
- Bring your own water – no water will be available on the course or at the assembly area.
- Social distancing and a range of hygiene measures will be enforced.

If you have COVID-19 symptoms, have been in recent contact with a COVID-19 case, or have travelled overseas recently please stay home.

About This Event

This is the final event in the EVOC Summer Cup. Once again we are being hosted by Dirk and Kim Nankervis at their holiday home. This event is something that hasn't been done for quite a while; a Scatter event. There will be a long course and a short course. Both events require visiting all the controls on the course, in any order you choose EXCEPT for the last two controls. These must be in the order that they appear on the control description. Route choice is everything because fastest time wins.

Where is the Start?

The start is at the Nankervis' shack, on Hurst St. Follow the signs from Weymouth Rd.

When Can I Start?

You can start anytime between 11am and 12pm. Starting as early as possible gives you more time to complete the course.

When do I Have to Finish?

You need to finish before the course is closed at 1pm. If you cannot complete your course in time you will need to abandon it and head back to the assembly area to arrive by course closure time.

Whether or not you have completed your course, you must download at the computer, so that we know you have returned safely, and don't organise a search party for you. Also be aware that as soon as the course is closed, the organisers start bringing in controls.

Which Map is Being Used?

Map: Weymouth

Scale: 1:5000

Contour Interval: 2 metres

What are the Courses?

Short and Long distance courses are available. The Short course is suitable for newcomers.

Course	Navigation
Long	Moderate
Short	Easy

Do I Need an SI Stick or P Card?

All Tasmanian Orienteering clubs use the SportIdent (SI) electronic timing system so an SI-stick or a P card is required at all events. Thanks to a Government Grant we are now able to offer P cards for \$10 (half-price). There are also SI sticks for sale for \$70 P-cards are suitable for all local events, but for bush events it is preferable to have an SI-stick – they are faster to use and register more controls. You can buy a P-card for \$10, or SI Stick for \$70 when you enter online via Eventor when entering an event. Choose 'Purchase of P card' or 'Purchase of SI Stick' from the drop-down menu in 'Available Services' and click the green Add button to purchase. For your first event we will lend you an SI-stick for free.

How do I Enter?

Enter online by midnight on Thursday 21st January before the event. Late entry may be available for an extra charge. Limited entry on the day is available at local and twilight events.

- Enter using [Eventor](#) – the online orienteering entry system.
- If you need help to enter, follow the [How to Enter guide](#).
- For a local or twilight event, there will be limited entry on the day for an extra charge of \$2 (adults) and \$1 (junior). It cannot be guaranteed that a map for your preferred course will be available. Payment at the event is by card only.

- There will be no entry or payment on the day for OST and Championship events.
- To enter online you need to be [registered as a casual or full member of Orienteering Tasmania](#). Casual membership is free.
- Complete newcomers may enter on the day at a local event (first event free)

Information for Newcomers

Newcomers are encouraged to come along and give bush orienteering a try. Wear comfortable clothing and foot wear suitable for walking or running; bring warm clothes and wet weather gear in case the weather is inclement. Long pants are a good idea if you plan on doing a course that takes you off tracks and through the bush.

For OST events enter course 6 or 7 for a moderate navigation course or course 8 for an easy navigation course.

Your first orienteering event will be free of charge (including loan of SI-stick) and you do not need to pre-enter. When you arrive at the event come to the registration desk and let the organisers know you are new; an experienced member will help you through the registration, start and event procedure.

How Much Does it Cost to Enter?

If it's your first local event, it's free (including free loan of SI-Stick)!

Limited entry on the day will be available for an extra charge of \$2 per adult and \$1 per child.

Where can I find results?

Results from an event are presented in four different places on our website in slightly different ways.

- **Live Results** are available as competitors download during some events. Go to [Results/Live Results](#) and choose the club that organised the event.
- **WinSplits** shows everyone's times for each leg, and is usually available the evening after the event. Go to [Results/Recent Results](#) and click [Tasmania Results in Winsplits](#) at the top.
- **Eventor** shows overall results for each course or class, and will be available the evening after the event. Go to [Results/Recent Results](#) and click on results for that event.
- **Livelox** shows the routes people have taken on the course (if they have used a GPS and uploaded the data). Go to the Eventor results and then click on Livelox either in the top bar or for each class/course.

What Else do I Need to Know?

As Orienteering Tasmania events are often conducted on private property we have a blanket policy of not permitting dogs at our events. Please leave your dog at home if going orienteering. As well, please leave gates closed or open as you find them.

Any Food, Entertainment, Coaching or Other Special Attractions?

After the event there will be the wind-up BBQ. Please bring your preferred BBQ food, and a salad or dessert to share.
