

Australopers Summer Fiesta - entries now open

The Australopers Summer Fiesta features three short events over two fun- and sun-filled* days.

The first event will be held on a brand new map of the picturesque Cascade Gardens on Friday 5th February. This evening event will feature not one but two(2) races, plus a bonus map flip! After the event, why not wander down to the Hobart rivulet to check out its resident platypus? Or head to the Cascade Hotel for a celebratory Kino win*** and/or Cascade Draught^? Details [here](#).

The second event on the morning of Saturday 6th February is a bush sprint at Knocklofty, featuring lots of zig-zagging, twists, turns and opportunities to completely embarrass oneself.^ Details [here](#).

The third and final event on Saturday afternoon at Kingston High features several controversial^^^ runner's choice sections on the medium and long courses. Even the organisers don't know how this will work! Details [here](#).

So leave your reservations at the door, pull on your lucky undies and pack your best wildlife-spotting head torch. It's Fiesta Time! You can even enter [three events for the price of two!](#)
