

CONDITIONS OF USE - GLENROCK NATIONAL PARK

Only single track and other trails marked on the course map are permitted for use in conjunction with this event

- Use of mountain bike single track will not be permitted during wet weather, management trails must be used in the event of wet weather or postpone the event
- Access to Scout Camp lands or other lands must be arranged with those organisations separately
- All bikes and equipment must be fit for purpose and safe for use
- All participants are to be advised to wear appropriate helmets
- All equipment and materials brought onto park must be clean, free of contaminants and free of leaks
- Flagging or ropes must not be tied to vegetation
- The applicant will remove all rubbish from the park
- The applicant is to take reasonable care of the safety of others in the area.

Competitors must follow the direction arrows on the map and the track arrow markers within the park.

In the event of rain/wet weather before the event and cancellation of the event, all entrants will be advised by email and a Newcastle Orienteering Facebook post. Please check before travelling to the event.
